Re: South Africa, May 2010

Dear Shafiq,

This is to convey my appreciation for the tour you organized for us to South Africa, in May 2010. Your arrangements were flawless and we appreciated you being a stickler for details. All 32 people in our group were extremely satisfied and were very complimentary about the tour. If I was to go on another tour, I will most certainly utilize your services. I have no hesitation in providing you my highest recommendation.

Sincerely,
